Group III Greek Island Cruise – June 8 – 15 starts at \$2245 w/o airfare

YOUR HOSTS

DENNIS AND GINGER LINDSAY

Dear Friends,

We welcome you to Christ For The Nations' Israel Tour in which we will be visiting the land of milk and honey. I truly believe this journey will be a historic and significant one that you will never forget as it is the birthplace of the Bible and our Lord and Savior. Your faith will come alive in a way that you haven't experienced before.

We will visit the Sea of Galilee as well as other locations where Jesus performed miracles. We will ride and dance on the sea in a "Jesus boat" and prior to enjoying a plate of Peter's fish, followed by a glorious baptismal service at the Jordan River. We will visit Jesus' hometown of Nazareth, where He grew up. Afterwards, we will ride a gondola up to the fortress of Masada, take a swim in the Dead Sea, and hike our way to David's waterfall hideout in En Gedi, where he hid from King Saul. Later, on our way to Jerusalem, we will enjoy a meal in Father Abraham's tent after riding on one of his camels.

Finally, we will visit the city of our Lord—Jerusalem. We will visit Mt. Moriah, the Temple Mount, the Western Wall, the Mount of Olives, the Garden of Gethsemane, Golgotha, where the crucifixion took place next to the empty grave site in the Garden Tomb—where we will have communion service.

All of these sacred places will cause your daily devotions to give you goose bumps while sitting in the presence of the Lord. While in Israel we will listen to the testimonies of several of our alumni who live and minister in Israel, which includes my sister, Shira, and her husband, Ari. Now, Shira and Ari have been living and ministering in Israel for more than 50 years. The faith they daily place in the Lord to watch over them and their family during a physical and spiritual war is a testimony of His power and protection. My dad and mom passed on their love for Israel to our family, and that is why Ginger and I have visited the Holy Land nearly 40 times and we never stop receiving new and amazing insights of God's surprises on the tour. While in Jerusalem, we will visit CFN's Jerusalem Center for fellowship and to meet with the Kopp family, who have served as our landlords since we purchased the facility 40-plus years ago.

Nevertheless, our journey is a once in a lifetime tour as we pray, worship, learn, laugh and walk together where Jesus walked. Yes, we are looking forward to becoming more acquainted with each of you. I cannot wait to dialogue with each of you as I share my "creation moments" at each of the locations we visit. So, hang onto every word you hear and the sights you see, as this trip will truly be an amazing experience that you will share with your friends and remember for a lifetime. May you receive a special blessing from the Holy Spirit. We pray this to be the greatest trip of your life. It will be well worth it!

P.S. Each member/couple will be blessed with a complimentary copy of my book, *Creation Moments in Israel*

| Date | 2025 ISRAEL ITINERARY | Hotel/Town |
|------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------|
